

Caithness Amateur Athletics Club

Equality, Welfare and Code of Conduct Policy Statement

Caithness Amateur Athletics Club adopts the equality and welfare policies of Scottish Athletics and the Scottish Athletics Codes of Conduct, (except where they relate to matters that are the sole concern of Scottish Athletics, such as their internal management procedures).

The Scottish Athletics Codes of Conduct cover the responsibilities and duties of club coaches, volunteers, officials, junior and senior athletes and parents/carers. They include action that the club might take if any breaches of the codes occur.

The Scottish Athletics policies on welfare and equality and the Codes of Conduct are available on the Scottish Athletics website.
